

Officer Pre-Selection Brief

It is your responsibility to ensure the accuracy of your record (specifically, the portion that will be reviewed by the promotion board) prior to the board convening. As a minimum, you should review your pre-selection brief following the instructions listed below. Errors left uncorrected could have a negative effect on your promotion opportunity. Therefore, these errors must be addressed in a timely manner. You will not be considered by a Special Selection Board if, in exercising reasonable diligence, you should have discovered an error or omission in your record and could have taken timely corrective action.

If you require no changes, no action is necessary. Review each data item to ensure it's accurate and complete. Print any correction(s) legibly next to the incorrect data. Return the brief (along with documentation to support the change) to your servicing MPF. **For personnel assigned to ORS, NNRPS, and NARS Reserve Sections:** The phone numbers in *Italics* are of Offices of Primary Responsibility (OPRs) you should contact to address problems with your OPB.
